AT OUR HEART

At the White Horse, we bring together timeless tradition and premium comfort to create unforgettable experiences that are equally special and effortlessly welcoming. Nestled in the heart of the community, we're proud to offer a cosy, character-filled setting where guests can relax and indulge in our seasonal menus, carefully crafted wine list and expertly mixed cocktails.

WHERE TRADITION LIVES

Hertford's Brewery has been run by the McMullen family since Peter McMullen established it in 1827. The Whole Hop Brewery can be found in the centre of Hertford and has been designed to ensure we consistently produce ales that meet stringent high standards that reassure cask ale connoisseurs, including our own regulars. From our award-winning Country bitter, locally famous AK or more contemporary kegged beers under our Rivertown sister brewery, our team are always on hand to recommend a pint!

Whether you're gathering with friends, celebrating a milestone, or hosting a private function, our warm atmosphere and attention to detail ensures every occasion feels memorable from the very first toast. Our dedicated team are on hand through every step of the process to take care of every detail, so you can focus on enjoying every moment.
